

33 Banbury Parking + Transit Instructions

SF Hillel is located at 33 Banbury Drive, San Francisco, CA 94132. There is **free one-hour street parking** on our street and throughout the neighborhood. Please be mindful of our neighbors (don't block driveways!) and parking limits.

To park your vehicle for an extended time, consider the **free, no-limit street parking on Junipero Serra Boulevard**. (It is a 3-5 minute walk to the Hillel building.) Or use the paid parking garage at the far end of SF State's campus by the Towers building. (It is a 10-15 minute walk to the Hillel building.) Additionally, there is limited, **two-hour parking on 19th Avenue**. (It is a short 2 min walk to the Hillel building.) Always double-check the street signs about street cleaning and parking zones.

SF Hillel is accessible by public transportation via the MUNI 28, 29, and M line. If coming on BART, take any line to Balboa Park and take the 29, or take any line to Daly City and take the 28. (SF State students can use the free shuttle from Daly City BART to campus or Hillel.)

While we don't have formal bicycle parking, students are welcome to park their bikes in the backyard during events. (Students are responsible for their belongings if left unattended.)

We look forward to seeing you at our building! Please reach out to admin@sfhillel.org if you have any questions.
